Thank you. I can probably start drafting the CACO this Friday.

Jeffery, I talked with John about this case a few days ago and I believe this settlement is agreeable with us. John was out of the office yesterday and today but I don't think he would have any problem with my decision.

John, Tony, and Steve:

Yesterday, Judge Kuhlmann ordered the hearing date for this action to be held on February 26 & 27, 1997, in Columbus, Ohio. Our proposed civil penalty is \$53,500.00.

Today, Marion Steel Company offered to eliminate its final five PCB Transformers, over three years, at an estimated cost of \$150,000.00, if we accept no civil penalty. I believe we should accept. Do you agree?

Thank you.

Jeffery (6-6729).
